There is a waiting list for these pages, and each advertisement costs £10 per issue, payable quarterly. All artwork for these pages must be received **before** the first of the preceding month, ie. for an advert in a July issue, the deadline is the 1st June.

Owing to variations in content, it is not possible to guarantee inclusion of specific items, although every effort will be made to accommodate contributors to the magazine. Priority will be given to village residents.

The Bar Hill News is produced every month, except January. Two thousand copies are printed on a Gestetner printer, collated and distributed by hand around the Village by volunteers. Spare copies are kept at the Library as a reference for people from outside the Village.

The PC has a 3.5"/1.44MB floppy disk and can handle most well known PC data formats. The computer has an A4 scanner for scanning artwork. The most used software is MicroSoft Word 6.0 (for text), CorelDraw 4.0 (for artwork) & QuarkXpress 3.12 (for the final page makeup).

The objectives of the Bar Hill Residents' Association are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the Village, and to promote the interests of Bar Hill Village. Opinions expressed in this publication are not necessarily those of the Association. This is a private publication and may not be reproduced without permission.

Bar Hill Parish Council The Old Farmhouse

780456

Clerk available - weekday mornings
(answerphone in operation at all other times)

The monthly meeting of the Parish Council was held on Thursday, 16th May at 7.30 pm in the Old Farmhouse.

Election of Chairperson & Vice-Chairperson

Mrs. V. Webb was elected Chairperson of the Parish Council and M. Duce was elected Vice-Chairperson.

Youth Facilities

The "Old Farmhouse Project" was, once more, being progressed by the County Council. Some of the funding is available, but the remainder will mean other sources being pursued. General plans for alteration of the building have been drawn up and costing estimates are now being calculated.

Skateboard/BMX ramp

The Clerk is hoping that the youths interested in this will visit her during their half term holiday. The Parish Council are interested to hear their ideas.

All weather Tennis Courts

A form of undertaking is being drafted between the County Council Property Dept. and the Tennis Club to permit access across School land for construction of the courts. The Tennis Club are also trying to obtain an electricity supply for their floodlights.

Friendship Link - Medvode, Slovenia

The Mayor of Medvode has written to the Parish Council suggesting exchange holidays for children. This was too short notice for this year and it was felt it would be better pursued for next year.

Cambridge Cable

It was understood Cambridge Cable would be starting work in the Village in July.

Litter Collector

A litter collector will be employed for one hour per day, five days a week. It is hoped this will replace the necessity for District Council litter picking.

Cycleway - Bar Hill - Dry Drayton

This is nearing completion and, at present, is awaiting the application of the top surfacing.

Bar Hill Primary School

TESCO Computer Vouchers

The children, teachers and governors would like to thank all those people who have collected TESCO Computer Vouchers and given them to the School, either directly or via the box in the Post Office. We have collected a great many tokens already and look forward to buying more computer equipment with them. I shall tell you through the Bar Hill News of the total amount we collect and the equipment which we hope to get when the promotion finishes at the end of the month.

Newspapers

We would also like to thank all those people who send their old newspapers down to the School. Our bulk bin is emptied once a week and the price of newsprint is constantly rising, so that we are most grateful for all the support that you are giving us. Please keep it up.

Community Association

The Bar Hill Community Association, which has a great many organisations as members, is holding a draw with the first prize of £100, in connection with this year's Village Fête. I should like to appeal to all organisations to :-

- Sell as many tickets as they can.
- Donate a prize, because this is the only income that the Community Association has in addition to the very modest subscription which each organisation pays.

Many Thanks
Roger Kilsby

POSSIBLE STRAY CAT

Black, long-haired cat with striking orange eyes, who spends a lot of time in and around Little Meadow. Does this cat have an owner? Any information please to 62, Little Meadow, tel. 781052.

Please note - we don't want to feed or befriend this cat if it already has a home!

Policing in Bar Hill

Firstly, I would like to make an appeal to everyone to keep our Village tidy. This is particularly aimed at the many businesses and those of you with building work going on. Piles of rubble, metal and wood not only look unsightly, but are also "ammunition" for those small groups who cause damage, such as breaking windows, so please remove temptation.

As many of you know, dens are being built by youngsters in the Village. This is not a problem in itself, but the lighting of fires and the rubbish in these areas is. Please do not light fires and take your rubbish home with you; I will not be so kindly disposed to those who do not heed my warning.

With the warmer weather almost upon us (I hope), please be vigilant in keeping doors and windows locked. An open window or door is very inviting to a thief.

Underage youngsters are continuing to drink alcohol around the Village, especially on a Friday evening. Parents, please be aware of what your children are doing.

Thank you, Rob Morris,
Community Officer, 01223 232222

Fun Run

The PTA would like to thank Martin Avery, the teachers and the parents who helped in making the fun run such a huge success. Also, well done to all the children who ran on the day!

We would also like to thank the following businesses for supporting their local school:

Ameythyst Designs, Anglian Windows, Bar Hill Motors, Bob Black Construction, BTS, Cambridge Coach Service, Cambridge Fluid Systems, Ceramica La Favorita, Chemex International, Daryl-B, Domino, Drayton Electronic Services, Elliott Engineering, Firstans, Forbuoys, ILC Q-ARC, Jane Barrett, John's Fish & Chips, J. Kilborn & Son, Kitchen Smiths, The Master Flooring, Moat House, MoDo Merchants, Spaldings, Spectronics Micro Systems, Style Dry Cleaning, TESCO, Victoire Press, Video Jet, Warner Brothers.

Half Marathon, 'Fun Run' & Family Picnic

(Run under BAF rules)

Sunday 14th. July 1996,

at Swavesey Village College

The 'Swavesey Half' is an established event on the running calendar and this year it again has the additional attraction of a *family fun day* by adding a 2.5 mile Fun Run over a flat and friendly course, followed by a family picnic and barbecue at the College, organised by the PTA.

The Half Marathon course follows its established route through our neighbouring villages and has proven excellent for *personal best* performances. Paralegic competitors are particularly welcome.

The Fun Run course is flat and fast, and offers no threats to the less able amongst us!

After the events, join in the fun at the College from 12.30, where there will be a barbecue, beer tent, and bouncy castle. Please bring along your own family picnic.

All race proceeds are in aid of **Headway**, the national organisation for the support of head injury sufferers (see information below).

All picnic proceeds are donated to the College PTA.

For entry forms phone; 789776, 232239, 230750 or 780776

Should you need to talk to the organisers directly Contact Malcolm Crisp 230750.

Entry forms should be returned to 27, Watermead and **must** include a stamped addressed envelope 9" x 6" to receive your running number and race details. **No S.A.E = NO ENTRY!**

Happy Hours (Recycled Youth Club)

Trips out: Yarmouth, Wed. 8th May certainly proved to be dry and indeed bracing, but it was sunshine

all the way. There's no doubt those who went on this trip enjoyed themselves. It was good to have Sid back with us at the helm, with his usual smiles and little cracks of wisdom. Sid was able to fill the coach except for three or four seats. It takes Sid time to organising these trips and it can prove a fruitless exercise on occasions when he doesn't get a minimum number to make the trip worth while, so we have decided to throw open any vacant seats we have in the future to anyone in the Village. Although the membership of our Club is now 98, many of those who have supported us for so many years are no longer in the position to walk around for several hours like they used to. Our next trip, on the 12th June, will be either Skegness or Hunstanton; Sid will confirm later. In order to fill the coach as much as possible, Sid will be delighted to hear from you on Monday 10th June as to whether there are any vacant seats. Please give Sid a ring on 780789. Remember, first come first served. "Yes, we are here to serve"

Quote of the month

Of all the things which wisdom provides to make life entirely happy, much the greatest is the possession of friendship (Epicurus)

Happy Hours bi-monthly meeting

Wednesday 8th May. The committee met to discuss and plan for events taking place later in the year which have to be resolved because of decisions required now. I am happy to tell you that the annual Birthday Party will be held on Monday 11th November and, as for previous occasions, the lunch and entertainment costs will be met entirely by the Club funds. The Christmas Party will be on Monday 10th December. The cost for this is estimated to be £10 per head, although we have decided to charge £5, payable in advance. Those members unable to come because of sickness will have their £5 refunded. But please remember that last year a few didn't come because of other reasons, but we still had to pay for the meals requested. Obviously this is some way off, but it will give you a chance to raise any points at our next meeting.

Summer Fête - 29th June

We will have our usual table for the sale of raffle tickets for the cake Olive Taylor has kindly offered

to provide. Also this year we intend having a bottle stall including cans, so bring along any bottles and cans out of your food store. Ideas for the main stall: cakes, biscuits, plants or herbs, vegetables, eg. rhubarb, tomatoes, jams, marmalades, craft items knitted or otherwise, unwanted gifts (toiletries etc.), jewellery or anything else that will sell. We will also be including a bowls competition.

Sick List

We are pleased to say that no one is in hospital at the moment. "Wee Georgie Wood" and Barbara are now both back at home. We all wish them a speedy recovery from their operations - they have certainly been through the mill in the last few weeks. Thankfully they are receiving some help. We were pleased to see Jim Platt with us even for a short period.

Happy Hours Seat

We thank the Parish Council for installing the Village seat we recently purchased and we are sure that it will be put to good use.

"Half the year has gone already" exclaimed the Lady of the house as she turned the calendar. We both paused for a moment to think about this. The older we get, the faster time seems to fly. Do you remember how long we used to wait for our childhood birthdays? Then how the weeks dragged until our summer holidays when we were young. As for Christmas - well, Christmas was an unbelievably long time in coming round each year. "Never mind" I said "we may have had half the year, but there's another half untouched and ready to start! Let's make the most of it!"

A little story to finish with: As the vicar's Sunday sermon was somewhat boring, my good friend dropped off to sleep and whilst in this state he was dreaming and found himself back in the days of the French Revolution. He was subsequently sentenced to be guillotined and as he knelt before the scaffold and the drums began to roll his wife touched him to wake up as the sermon was ending. He died of a heart attack!

Nature Reserve

Hi again,

We need some rain! I know it will probably be unpopular...but we do. The level of water in the pond has dropped already, so needs topping up. I don't suppose the tadpoles, or the other water creatures, would mind. Thanks to the people who have helped me recently with the pond.

The two 'Toad signs' have again had a rough time of it. One was broken in half and the other has disappeared completely. Several toads were found squashed in the area of the bend; maybe the signs would have helped, who knows?

The new cycleway is looking good and should make things a lot easier for the cyclist and walker alike ... thanks to everyone, who over the years has kept on at the County Council for this. Thanks also to the 'new' Dry Drayton Parish Council. Happy cycling and walking.

The nesting season is going well, with lots of boxes being used. More blue and great tits than open fronted but please... if baby birds are found on the lawn or anywhere, leave them alone, unless they are in immediate danger. The mother knows where they are and is watching them.

If anybody sees or hears anything strange or unusual, any fox, deer or badger bodies that are dead within a ten mile radius of the Village could you please let me know for my records...they are all having a rather bad time of it at the moment with youngsters moving about, extra mouths to feed, extra journeys for food to fill those mouths, which brings them into conflict with motorists...who always win.

*I've sat on the bench at the nature reserve
Watching as life goes by,
Know where the wagtail and great tit nest
And where to make the snipe fly.*

*Poplars and willows are the dominant trees
Lining the banks of the stream,
There's many a cosy nook there
For an hour spent in a dream.*

*I know in which tree the kestrel sits
Watching the grass beneath,
If so much as moves
He'll have it, with talons, not teeth.*

*Some time spent at the reserve
Anytime of any day
Will make you feel really wonderful
When for a while you can slip away.*

Pre-School Playgroup

At pre-school playgroup we are proud to have 2 rooms. The messy room encourages creative play with activities like painting, cutting out, glue and modelling. This leads to a more educational format with writing and occasional cooking lessons. The playroom is designed to develop the children's imagination through pretend play with a wide range of activity toys/equipment, including a house which can be made into a hospital or even a shop. This equipment helps develop agility and co-ordination, and we have lots of books, puzzles and games.

Another facility we have is our fenced in play area, approved by all the relevant bodies. So, when the weather is fine the children will be able to play outside safely.

Our sessions are run by friendly, trained and experienced staff Heather, Barbara, Jan, and Jenny.

We are open to all children aged 2½ to school age. Our "stepping stone" session start at 2½ and our general sessions are for 3 years to school age.

Application forms are available from Playgroup, the Library or our administrator Jenny Dedman 782037 before 7pm. If you would like to visit the Playgroup, please call in at any of our sessions. The Playleaders will be happy to show you around and answer any questions.

Our session times are:-

Monday, Tuesday & Thursday 9.15 - 11.45 am

Monday "Stepping Stones" 1.00 - 3.00 pm

Tuesday & Thursday 1.00 - 3.30 pm

Friday is for pre-school children from January.

Training

All four staff will attend a full first-aid course run by the Red Cross. The certificate will be valid for three years, after which it will be renewed, as we feel it is so very important for all staff to have the training to cope with any situation. The course will be over 6 weeks, one night a week.

Farewells and Hellos

Fond farewell to Mrs. Jo Pinnock and family. Thank you for being our helper. We will miss you.

Welcome to Lysa, who will be our new helper.

Thank you to Helen Bell for all your help at Playgroup, which is very much appreciated by all.

Vandalism

Our Fenced-in Play Area has been a target.

Why? I have to ask myself. Children play inside, so do not throw beer cans & broken glass into the area. Is nothing safe in our Village anymore? Anyone seen vandalising the fence will be dealt with in the only way, the correct way, the police will be called in.

Diary Dates

The Village Fete - June 29th at 2pm

Please support us on the day. Any donations will be gratefully received.

We shall be having a second hand book stall, so if anyone has any books they do not need please leave them at Playgroup on the Saturday morning. Thanks. We will of course be selling ice-cream (we only hope the weather will be hot by then!) and cold drinks. We will also have our famous 'cake & bun' stall, plus lots more.

AGM - July 2nd, 8.00 pm, Village Hall.

Please join our committee and continue to make our playgroup go from strength to strength. It's your chance to have a say! We shall be having a guest speaker and, to end the evening, a light buffet and refreshments together with a raffle. So 'come on down' for a social evening and meet the new committee.

You do not have to have a child at our playgroup to come to the AGM. All welcome.

Mrs. Tina Binks, chairperson 781579

Sunshine Playgroup

The Sunshine Playgroup (the brightly painted building on the Parish Council land next to the school) is a small friendly Playgroup with a safe, fenced-in play area and garden. We aim to provide a wide range of experiences through free and structured play in a caring environment. Our Playleaders are Jo, Liz, Maggie, Sue and Linda.

Session times:

Mon - Fri 9.15 - 11.45 am

12.45 - 3.15 pm

Tue. and Thu. mornings are mainly for new starters and younger Playgroup children.

If you are interested in a place for your child please call in at any session. Application forms are available from Playgroup, Health Centre, Library and Cherry Clarke 780785

Our building can be hired for party events, meetings, etc. at £12 or £2.50 per hour for a block booking. The fenced-in garden can be used for a bouncy castle at an additional charge of £2. Early booking is advisable. Phone Jenny Orvis 782250

I apologise for leaving out Serena Moore in the April edition. She qualified for the national finals at St. Neots in March for beginners solo.

Sylvia Boydell (troupe leader) took the girls who qualified in April to Rye for the national finals of the UKFM. There were troupes from all over the country, and our girls did extremely well, winning two trophies!

Maxine Sredojevic, Sarah Redman, Chloë Wright & Nicola Lister won 1st for the Beginners Group and **Maxine Sredojevic, Sarah Redman, Chloë Wright** won Trio.

Considering the other troupes have been going much longer than ours, I'm sure you'll agree that the girls have done really well! They now have 77 trophies in the UKFM this year. Well done everybody!

Now we can start the summer season. We are already booked up for most weekends, fêtes etc. I would like to thank all the parents for their support.

If there are any girls who wish to join us, and are aged between 4 years and teens please contact:

The Scouts

Were you a Scout or a Guide? A Cub or a Brownie? Remember the fun you had? If you weren't, why not come along and find out what you missed? We are urgently in need of leaders in all sections and unless the situation changes in the next few weeks, our Beaver colony (6-8 year olds) will have to close next term. One Cub pack (8-10 years) and our Scout troop (10½+) also need additional leaders. We have many enthusiastic members in all sections and a waiting list. We try to offer everyone a fulfilling and challenging programme, but we need help.

Leaders are not expected to be 'superman' or 'superwoman' just people who can help our youngsters enjoy Scouting as they grow up; learning together is part of the fun! We have meetings on several evenings of the week, and even have leaders who are on shift work. All we ask is that you are able to help on a regular basis.

Please give this matter your consideration, as without your help, we might cease to exist.

Pick up the phone now and give me a call. Let's keep Scouting alive in this Village.

Janet Kempson (Group Scout Leader) 780778

THE GUIDE ASSOCIATION

The Guides have had another unusual enrolment evening - under a parachute, that was really a different way to make the Promise.

The Brownie Revels were on Sunday 19th May at Hinchbrook Park, Huntingdon. Despite weather forecasts of heavy rain the sun shone down on 50 Brownies and 8 Guldens while they followed the theme of Robin Hood. The Merry Men, Ladies in Waiting, Village Folk and Sheriff's Posse groups followed a photo trail, sewed silver spider webs, tested their target skills with toy bow and arrows, skittles and bean bags, and created hats.

24 Brownies from 1st Bar Hill Brownies go to the Jarman Centre, Newmarket for their Pack Holiday on the 31st May, so are busy in preparation for this.

The Guide & Scout Associations are leading the Church Parade Service on the 23rd June. We hope to be at the Village Fete.

Hopefully, the weather will allow some of our meetings to move outside this term so don't be surprised to see the girls out and about.

As usual I will end with the plea for anyone wishing to know more about Guiding in Bar Hill, to join as a Rainbow, Brownie, Guide, Guider or adult helper, tester or display a skill, please contact me.

Colts Football

June is one of those months of the year when, in theory at least, there is little activity within the Colts Club. This year, all should be at home watching Euro '96, but not us. No, we are still in full swing with a series of events, so note the following and come along to support us:

Tuesday 18th June - AGM, in the School at 8 p.m. Wine & Cheese will be served after the formalities have been concluded. All parents and supporters are welcome to attend and participate.

Saturday 29th June

5 - a - side Tournament and side stalls at the Village Fête on the Village Green.

as well as **Mid-Summer Disco & Barbecue**, at the School (8 p.m. until midnight). Tickets on sale now at £8.00 each include admission to Disco and food, and are available from all Committee members and Team Managers.

On Sat. 18th May 1996 we held our Annual Awards Ceremony. Due to the number of registered players, this was held in two sessions. The first, at 5 p.m., was attended by players at Under 9 and below, who all received a medal to commemorate their efforts during the season. Also receiving an award, for his considerable efforts in organising the Under 8's, 7's, 6's and 5's was Manager, Paul Douglas. Paul took the opportunity to thank the many people who help to ensure that, at the last count, the 64 lads and lasses at these age groups are supervised at Saturday morning training sessions.

The second session, for all of the League teams, was attended by Cambridge United mid-fielder, Billy Beall, who presented the awards to the following:

A special award was given by the Club to Brian Howard. Brian has refereed countless games during the Season, and I

recall on one Sunday in particular, was the "man in the middle" for three consecutive matches. His commitment is greatly appreciated by all connected with the Colts.

We seem to have entered an era when Managers are "retiring". No less than six have decided to go now that the season has ended. The most notorious and successful of these is without doubt Mick Egan. He started managing this year's Under 16 team ten years ago, and groomed them into a very significant force in the Colts League. Never finishing outside the top three in the "A" League, several of his lads represented the Cambridge Colts League at Inter-league level and one signed for Cambridge United.

Mick has also been a solid contributor at fundraising events, and has always ensured that his team's supporters attended all fund raising events.

Also departing and to be greatly missed were:

Under 15's management team, Chris Graham and his colleague, Tony. Chris managed to pull together a strong squad a few years ago, when nobody else would volunteer to run a team at this age level. He and Tony have seen the team grow into a force to be reckoned with in the "C" league. The new manager for this team will be Jim Charlwood, who is stepping down from his assistant's role to Mick at Under 16.

Under 13's management team of Mick Brown and Ray Mole. Another pairing that have groomed a very able "A" league side, which has consistently been "up there", challenging for honours. They leave a very capable side in the hands of new manager, Tony Carminatti.

Under 11's boss, Brian Tanner. Brian has decided that the time is right to hand control to Jack Fleming and Dave Kember, who have both been "missing involvement" with the Colts (although they may not admit it) since they themselves stepped down a few seasons ago. Brian's help at fund-raising events will be missed, and has been appreciated by all committee members.

All retiring managers were presented with a memento to mark their contributions to the success of the Club. We wish them all well for the future, and maybe after a break they will miss involvement in Colts football so much that they make a return to the management "fold".

Many people work hard to keep our Club running, but none more so than Diane Chapman, our Secretary. Chairman, Ron Hodieme, presented Diane with a bouquet of flowers as a mark of appreciation from all players, managers and committee members. Well done, Di, and keep up the excellent work.

One group of people that we have a tendency to ignore, but not intentionally so, are our Club and team Sponsors, and organisations such as the Bar Hill Social Club, the Village Hall, and the School. Without their help and assistance with finances, changing/training facilities, etc. the Club would probably not be able to exist, and provide sport for so many of the Village's youths. Thankyou to all who have contributed to the Clubs continued existence.

Sorry about this rather long article, very rare from me these days, but I am sure that all readers will understand the need to record the above information.

Planning for next Season is now under way, with some competition registration documents having arrived already (yes, before we have completed all season 1995/96 fixtures). Life is never dull in the Colts and we look forward to seeing as many readers as possible at our June events.

Tennis Club

Anyone For Tennis ?

Welcome to the new club season! This year is certainly the most exciting year for the Club since it was established 6 years ago. After several years of planning and much hard work we look forward to seeing work commence on the construction of two All Weather surface courts - facilities which we believe will help to develop the club further and provide a top quality facility for the Village. We still need to raise money to complete the total funding of the project (in all in excess of £30,000) so do watch out for and support our fund raising events!

Membership is available to all residents and we encourage all abilities - our overriding desire is that everyone enjoys their tennis. So whether you want to play to keep fit (and some of us at least try), if you haven't played for years and would like to try again or you wish to play more serious tennis do either pop along on club nights or telephone any club member (see below).

Coaching Included for juniors - available for adults

Courts are also available to members outside club times at very attractive prices!

SO DON'T DELAY - JOIN TODAY!!

We will keep you informed of progress up to and during the construction of the courts which we hope should be complete in September.

Advance Notices:

Table Tennis Club

The table tennis club meets every Tuesday in school term time from 8 - 10 pm in the School hall. We charge £1.50 per evening. We do not play in a league but are a small club offering a warm welcome to players of all standards. We provide the equipment - all you need to bring is a pair of plimsolls or equivalent. Don't worry if you haven't played for some time - most of the current members were in that situation when they first came along. For further information, please contact Peter Bowers on 781977 or just come along on a Tuesday evening.

Sports and Social Club

With a new Committee now in position and a couple of meetings under their belt, things are starting to happen. Look out firstly for our new big screen television. Our old large screen has long since served its time and with Euro '96, Olympics in Atlanta, Test Cricket etc., a new state of the art television is now inevitable and on its way !!

Now the stairs have been modified a new carpet is imminent and we apologise for any inconvenience caused by its installation - be patient, we assure you it will be worth it.

On the entertainment front, Debbie is still waiting to hear from you with any ideas regarding the type of entertainment you would like to see (or hear). One suggestion so far has been a "Greek Evening", a meal, entertainment, including Belly Dancer - relive your last Greek holiday with Stavros/Dimitri - if you would support such an evening at around £10-£15 per head let Debs know.

Forthcoming Social Events:-

June 14 "The Drivers" (50's, 60's and 70's music) See notice board for further details.

Following a recommendation at the Club AGM, we are pleased to say the Officers, Committee and Members have made a gratuity payment to Jimmy and Phyllis James - to Jim for all his hard work as Secretary, then for the past 5 years Treasurer, of the Club and Phyllis for being so patient and tolerant in allowing him to offer his time. We all hope your holiday lives up to your expectations - nobody deserves it more than you for all you do on and for this Village.

Despite the weather, the cricket season has started and it is time to think of our annual cricket match, namely the Wrinklies (over 40's) against the Cricket Club - the date has yet to be agreed, but if you are interested in a "friendly" but social game of cricket please let Brian Burrage know.

Finally, the Social Club has now decided to "adopt" a charity for a year. Last year it was the Macmillan Fund for cancer. If you have a charity, preferably local or with a local interest, please write to Lesley Sadler, Secretary, and it will be considered by the Committee for adoption.

The Army Cadet Force

At our annual inspection Cadet Commandant Colonel D. Bristow, was very impressed by the detachment, but concerned by the lack of cadet numbers.

Easter camp 5-8 April at R.A.F.

Barnham and Thetford training area.

95 cadets from the company attended (5 from our detachment). It was the first time the new recruits had been under canvas for a weekend, but they learned quickly and were praised by Deputy Commandant Lt. Colonel Elesden and Company Commander Major McLoone. Cadet Sgt. Jamie Barrett was platoon Sgt. for the Senior Platoon, Cadet Kevin Gunton was in the intermediate platoon (developing skills further), whilst cadet Ellen Langley was with the recruit platoon, Lance-Corporals Lee Cunningham and Sean Langley were on an N.C.O.'s (Non-Commissioned Officer) training course in leadership techniques. All of them worked really well and had a good time.

1 star & 2 star test 26-28 April Waterbeach

As cadets progress they take tests at different levels known as star levels, from 1 star up to 4 star and Master Cadet. 2 star and above count towards the Dof E awards. Kevin Gunton passed his 1 star test involving: fieldcraft, community work, safe handling of a rifle (before we let them fire on a range they must show that they know how to use the weapon safely to prevent accidents), use of a map and compass, drill, physical activity and first aid.

LCpl Lee Cunningham finished his 2 star tests which include adventure training and a Red Cross first aid test. As a result, he has nearly finished his bronze D of E award.

Recruiting, we welcome 2 more cadets, Nicholas Dorling, from Bar Hill and David Sharp from Fenstanton. We now have 9 cadets, which is a good start, but we still need more.

Parent and Toddler Group is for children of 12 months to 3 years. Sessions are held in the Church Centre. In each session there will be painting, messy play, sand, large activity toys, puzzles, books and much more. We also have a singing and action time at the end of each session.

Session times:

Mon - Fri mornings 10-11.30
(Wednesday for 12 - 18 month Toddlers only)
Mon & Tues afternoons 1.30-3.00

To find out more, please contact Carin 789056 before 7 pm. If you would like to visit us you are welcome to call in and have a chat with our supervisors Jo and Mary.

Thank you for supporting the Bar Hill Toy Library and for coming along to our Annual General Meeting at the end of April. We had a struggle to get enough support, but we are glad to say that we are still open and will be continuing as before with a Summer Play Day and Spring and Autumn Toy Sales, see Bar Hill News and village noticeboards for details.

The Toy Library is run by a committee of 7 members, who rely on the willing help of our other members taking turns to help at the fortnightly sessions.

We hold our sessions in the Bar Hill Primary School Studio from 2.30pm every 2 weeks during term time. Annual membership of the Toy Library is only £1.00 per family. We have 150 toys and games for 0 to 11 year olds which cost between 10p and £1.00 to hire for a fortnight. There is plenty of space in the Studio for your children to play and run around while you make your choice from our wide selection.

Ask your friends to come with you to the next session, we welcome residents from the surrounding villages too.

If you can spare a few hours a month or a year please speak to a committee member about joining the popular Bar Hill Toy Library committee.

June Wildlife

National Wildlife Week

8 - 16 June is National Wildlife Week, and is organised by The Wildlife Trust. The aim is to make people aware of the wildlife around them, see the value of the natural world and involve them in caring for it.

There is so much people can do for their local environment. You can start in your own garden by putting up bird boxes or growing plants in your garden which attract insects and butterflies; or do a litter bust; or you can take things a step further and

join an organisation like the Wildlife Trust. Not only can you become involved in practical conservation tasks, but there are many wildlife

events happening in our county and there are a plethora of nature reserves - woodlands, flower meadows, grasslands, and bogs - all waiting to be discovered by you!

Sat. 1st June Beechwoods Open Day. Situated off road over the Gogs from Fulbourn towards Addenbrookes Hospital. Mature trees and beautiful wildflowers. From 2.30pm. Contact 01223 249963

Wed. 5th June Chettisham Meadow nr Ely. Evening visit to observe green-winged orchids and other flowers. Contact 01353 666450

Sat. 15th June Dragonfly Safari with Cambridge group at Welches Dam. Contact 01487 843334.

Sun. 29th June Family Pond Dipping with Swavesey group at Swavesey Primary School pond. 2.30 - 4.00pm. Contact 203035.
